

Players API

This will return a list of players for a club

GET http://play-cricket.com/api/v2/sites/site_id/players?&api_token=xxxxx

Parameters

site_id	required
api_token :	required
include_everyone=yes	optional
include_historic=yes	optional

If run without either of the optional parameters, Play Cricket will respond with a list of all members who have an active squad role with the club

```
{“players”:[  
  {  
    “member_id”:12345,  
    “name”:“Bugs Bunny”  
  },  
  {  
    “member_id”:224466,  
    “name”:“Roger Rabbit”  
  }  
]}
```

Using the parameter include_everyone=yes will return all member records that have any active role with the club

Using the parameter include_historic=yes will also return all member records that have a historic squad role with the club
