

About Us widgets (separate)

From February 2018 six new widgets for the public view of 'About Us' were introduced, which have been designed to replace the existing single About Us widget although there is no obligation to do so. The About Us display in site administration remains unchanged except for the addition of a postal address in the Club Details tab. To make updates to the data, go to Administration>Site Management>About Us.

The new widgets are to be found in Administration>Site Management>Site Builder>Widgets>About Us.

The widgets are:

Affiliations – display a list of affiliated county board and league sites

Contact – display contact details including registered and postal address, plus the facility to refine the co-ordinates for the map display (new features).

Grounds – There are options to display a list of the grounds for users to drill down into the details or to display the details for a single ground.

Joining Message – display the message entered in the text box with below the title entered by an administrator.

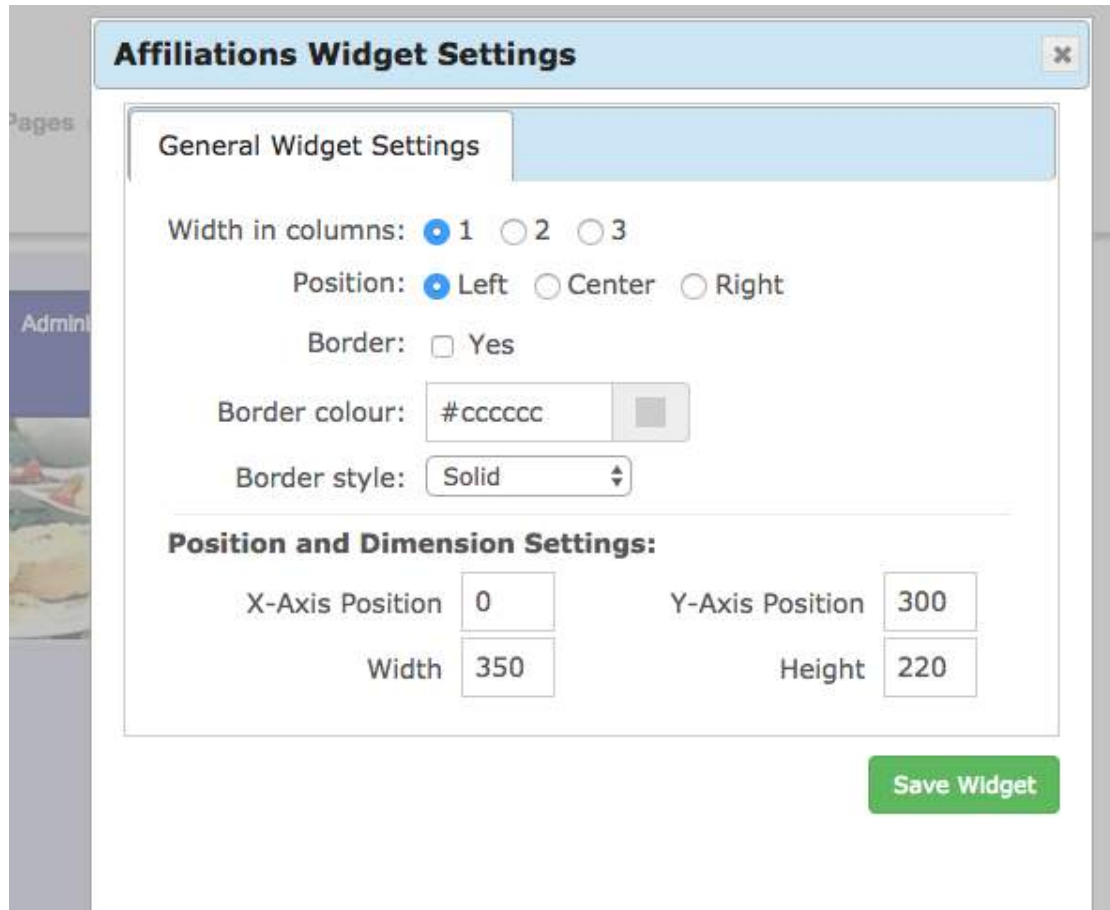

Officials - Users have the option to display or hide email addresses and phone numbers. If the email address is hidden, an envelope icon will be displayed, but clicking this will open a form to be completed by the sender.

Sponsors – There is a facility to display a number of logos vertically or just a single logo.

If you wish to use the new features, then you must use the new widgets.

Affiliations Widget:

This widget displays a list of sites which have been added to the Affiliations section of the About Us page.

The screenshot shows a dialog box titled "Affiliations Widget Settings" with a close button (X) in the top right corner. The dialog is divided into two main sections: "General Widget Settings" and "Position and Dimension Settings".

General Widget Settings:

- Width in columns: 1 2 3
- Position: Left Center Right
- Border: Yes
- Border colour: #cccccc (with a color swatch)
- Border style: Solid (with a dropdown arrow)

Position and Dimension Settings:

X-Axis Position	<input type="text" value="0"/>	Y-Axis Position	<input type="text" value="300"/>
Width	<input type="text" value="350"/>	Height	<input type="text" value="220"/>

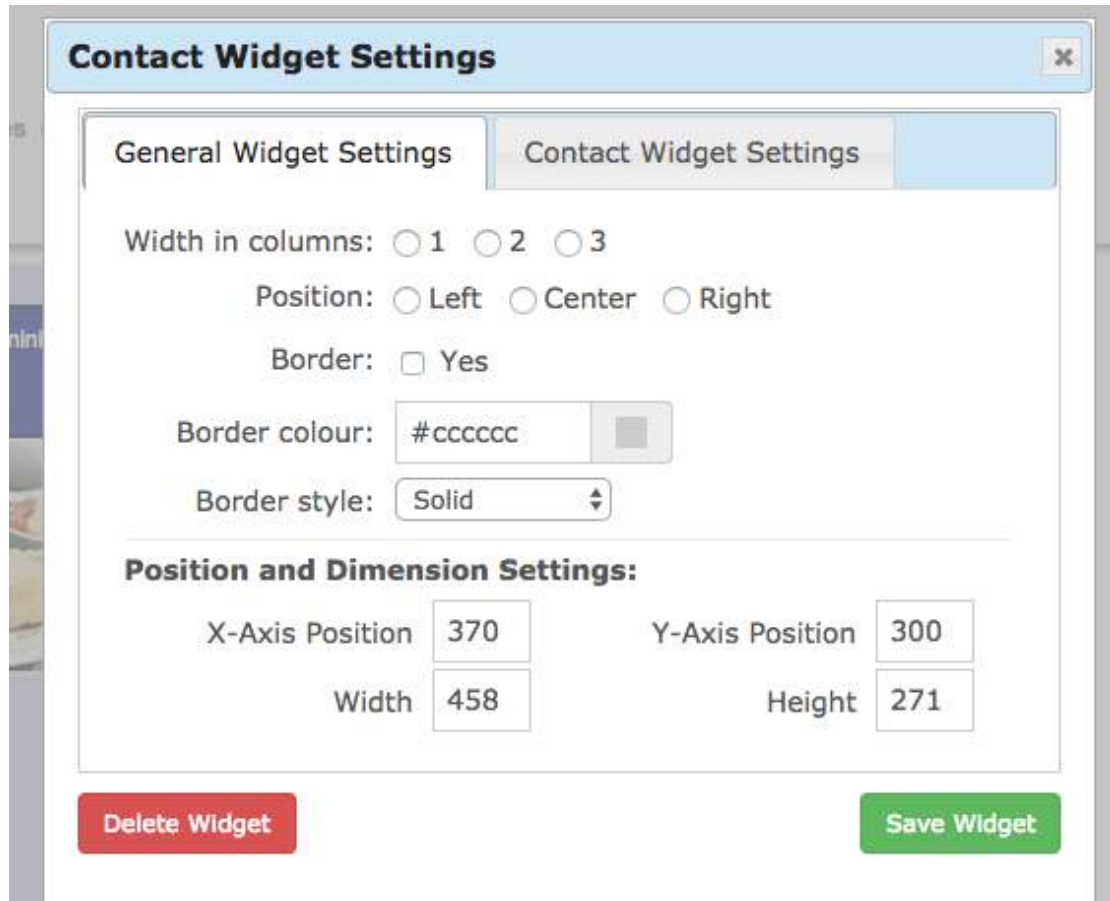

At the bottom right of the dialog is a green button labeled "Save Widget".

Using the settings from the above screenshot, the Affiliations widget on the public About Us page looks like this:

Contact Widget

This widget displays the details from the Club Details tab. The following settings will place the widget next to the previously added Affiliations widget.

The screenshot shows a dialog box titled "Contact Widget Settings" with a close button (X) in the top right corner. It has two tabs: "General Widget Settings" and "Contact Widget Settings", with the latter being the active tab. The settings are as follows:

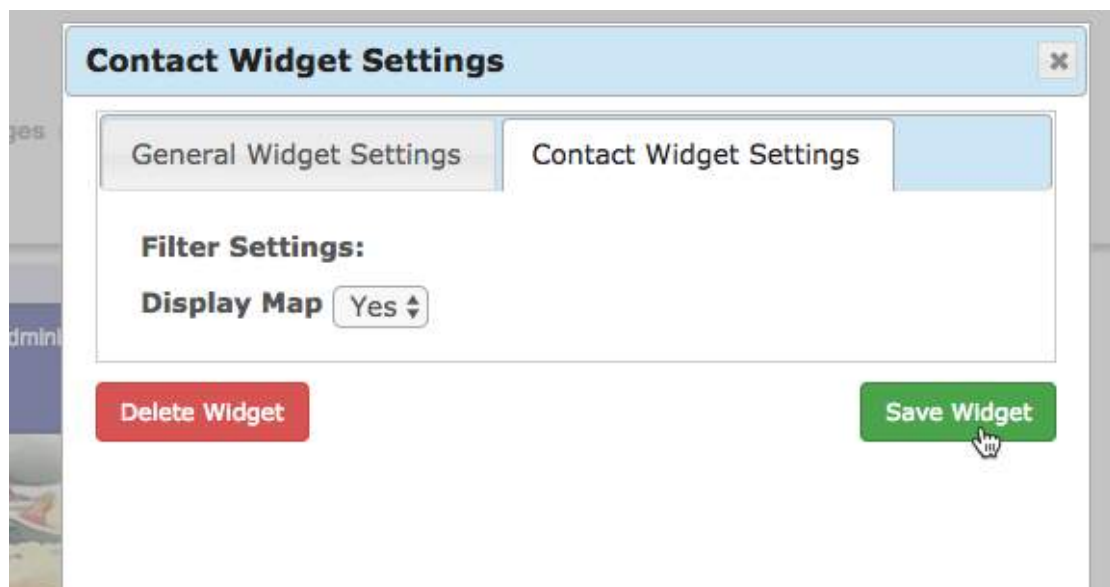

- Width in columns: 1 2 3
- Position: Left Center Right
- Border: Yes
- Border colour: #cccccc (with a color swatch)
- Border style: Solid (with a dropdown arrow)

Position and Dimension Settings:

X-Axis Position	370	Y-Axis Position	300
Width	458	Height	271

At the bottom, there are two buttons: "Delete Widget" (red) and "Save Widget" (green).

Use the Contact Widget Settings tab to display a map of your location – taken from the co-ordinates on the club details page.

The screenshot shows the same "Contact Widget Settings" dialog box, but with the "Filter Settings" section visible. The settings are:

- Filter Settings:**
- Display Map: Yes (with a dropdown arrow)

The "Delete Widget" (red) and "Save Widget" (green) buttons are still present at the bottom. A mouse cursor is pointing at the "Save Widget" button.

Here is the public About Us page with both widgets:

Grounds Widget

Display a full list of your club's playing grounds or choose a single ground's details to display. The details are taken from the About Us>Playing facilities tab in Site Management.

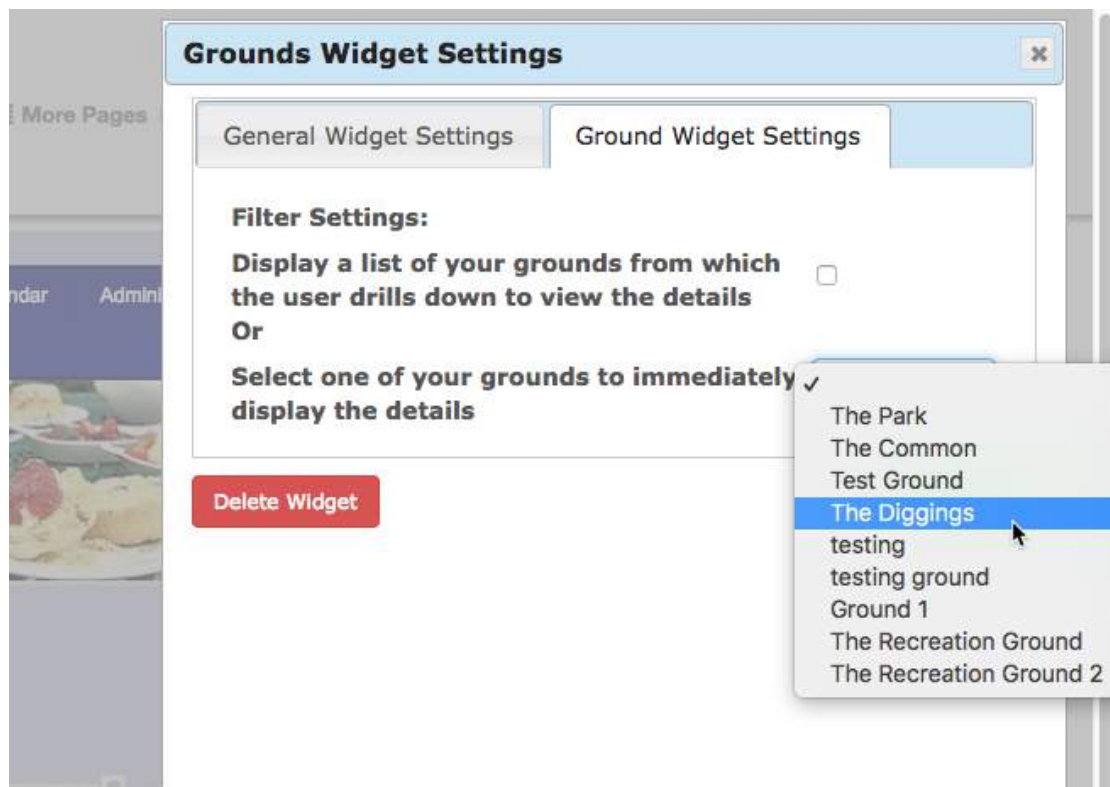

In the Ground Widget Settings, tick the checkbox to display your list of grounds:

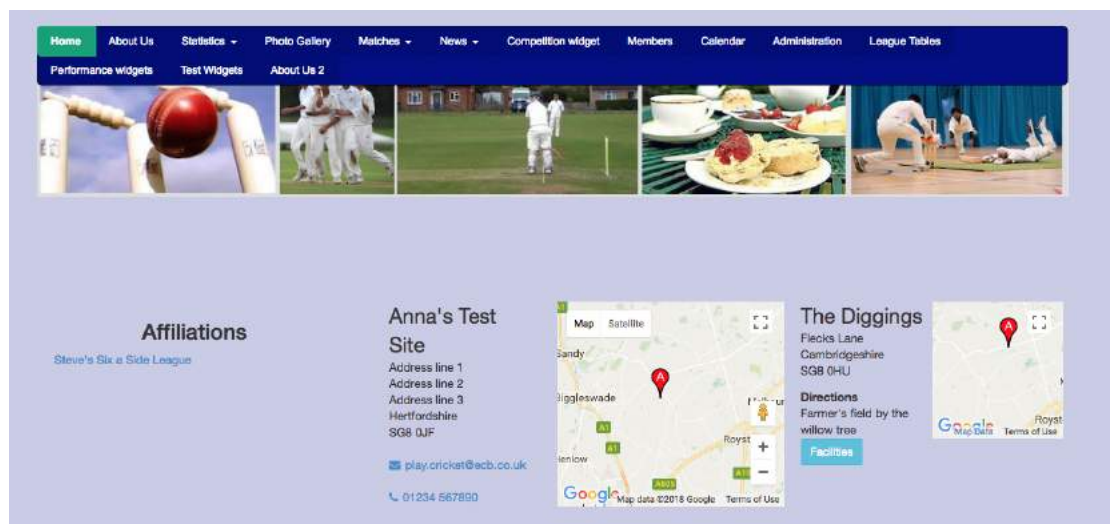

To give you this result:

or choose a ground from the drop down list to display the details:

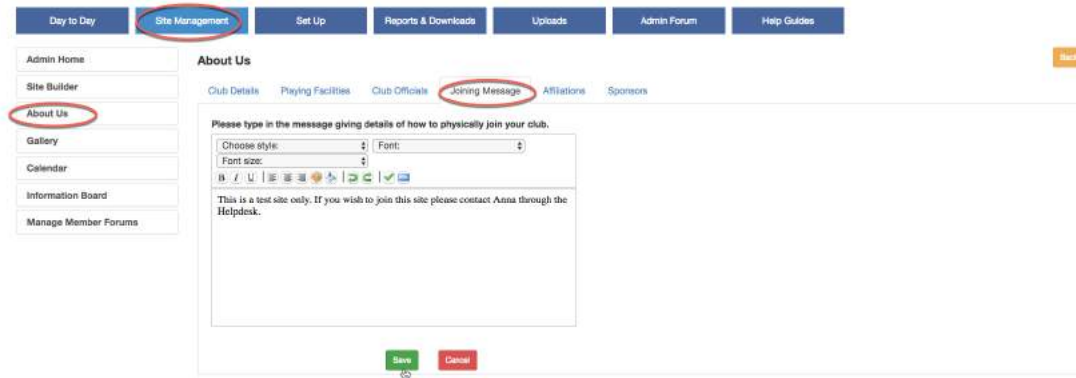

to get this result:

Joining Message widget

Update the text for the joining message via the tab on the About Us section in Administration although the text may also be edited in the widget itself.

The screenshot displays the Administration interface. At the top, a navigation bar includes tabs for 'Day to Day', 'Site Management', 'Set Up', 'Reports & Downloads', 'Uploads', 'Admin Forum', and 'Help Guides'. The 'Site Management' tab is selected. On the left, a sidebar menu lists 'Admin Home', 'Site Builder', 'About Us', 'Gallery', 'Calendar', 'Information Board', and 'Manage Member Forums'. The 'About Us' section is active, showing sub-tabs for 'Club Details', 'Playing Facilities', 'Club Officials', 'Joining Message', 'Affiliations', and 'Sponsors'. The 'Joining Message' tab is selected. The main content area contains a text editor with a toolbar and a text area. The text area contains the message: 'This is a test site only. If you wish to join this site please contact Anna through the Helpdesk.' At the bottom of the text area are 'Save' and 'Cancel' buttons.

In the following example, I have made a change to the default title:

Joining Message Widget Settings

General Widget Settings | **Joining Message Widget Settings**

B *I* U | | |

This is a test site only. If you wish to join this site please contact Anna through the Helpdesk. The text may also be edited in the widget.

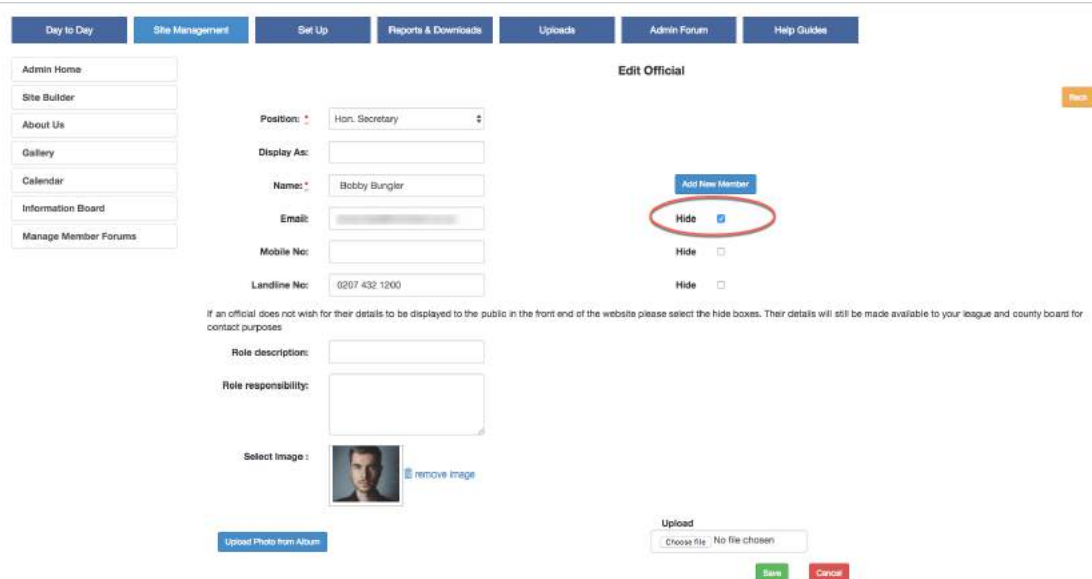

Delete Widget **Save Widget**

In the example below, I have placed the joining message below the Affiliations widget.

Officials Widget

This widget displays images of the club officials with contact details beneath the image if they are not hidden in the About Us settings for the official.

The recommended size for the image in pixels is 413(w) x 513(h) which is the standard UK passport size.

The width of the widget should be set to 1150 px so that the display goes across the web page.

The screenshot shows the 'Officials Widget Settings' dialog box with the 'General Widget Settings' tab selected. The settings include:

- Width in columns: 1 2 3
- Position: Left Center Right
- Border: Yes
- Border colour: #cccccc
- Border style: Solid
- Position and Dimension Settings:**
 - X-Axis Position: 0
 - Y-Axis Position: 657
 - Width: 1150
 - Height: 800

Buttons: Delete Widget (red), Save Widget (green).

The Officials Widget Settings controls the display of the email address and phone number.

The screenshot shows the 'Officials Widget Settings' dialog box with the 'Officials Widget Settings' tab selected. The settings include:

- Title: Club Officials
- Comment: (empty text area)
- Display Email Address: Yes
- Display Phone No: Yes

Buttons: Delete Widget (red), Save Widget (green).

Here is the public view of the Club Officials for the settings that were used:

An email icon appears next to the email address if it is present and not hidden.

The screenshot displays a website layout with several sections:

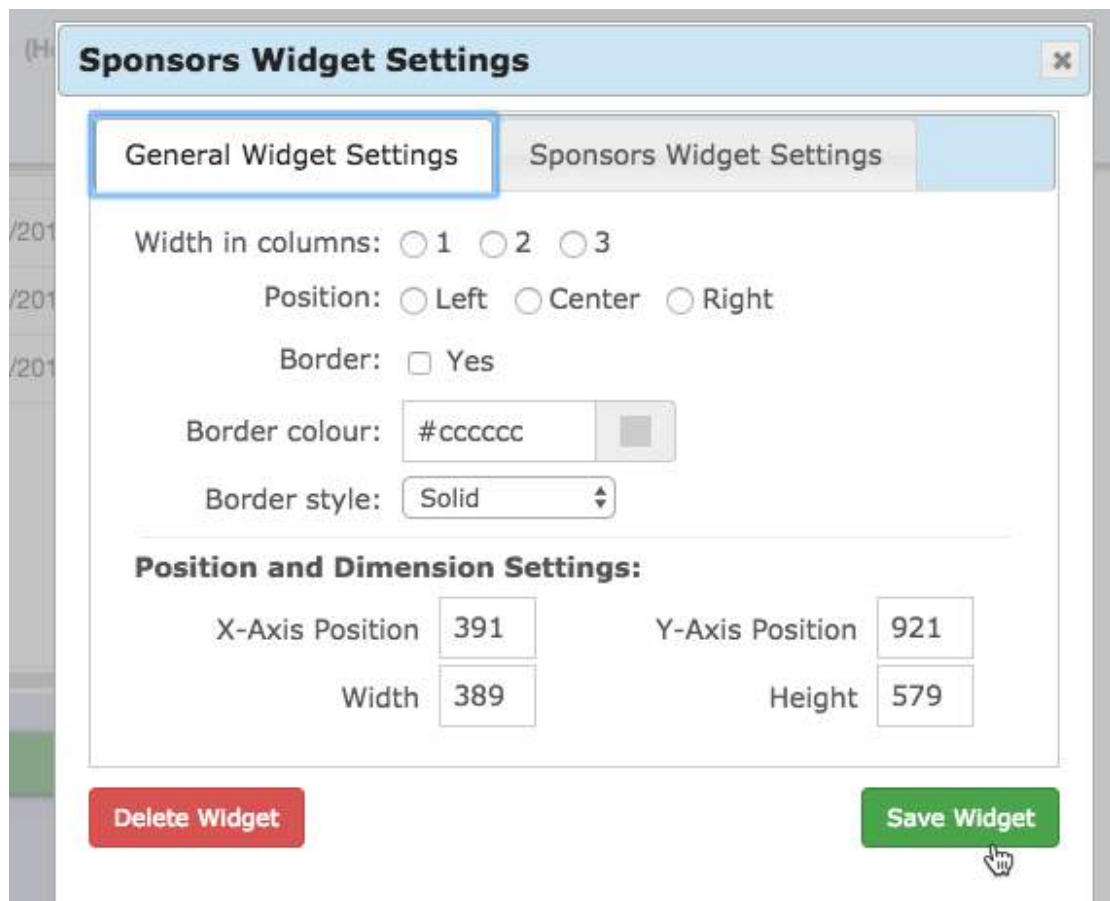

- Affiliations:** Steve's Six a Side League
- How to Join the Club:** This is a test site only. If you wish to join this site please contact Anna through the Helpdesk. The text may also be edited in the widget.
- Anna's Test Site:** Address line 1, Address line 2, Address line 3, Hertfordshire, SG8 0JF. Email: play.crickent@ecb.co.uk, Phone: 01234 567890.
- The Diggings:** Flecks Lane, Cambridgeshire, SG8 0HU. Directions: Farmer's field by the willow tree. Phone: 0207 432 1300.
- Club Officials:** A grid of four officials: Amber Leonard (Chairman, Email: amber@rapiduk.com, Phone: 01074321200), Richard Dastardly (Hon. Treasurer, Phone: 07777 223344), James Brown (Web Site Administrator, Website owner, Website), and Bobby Bungler (Hon. Secretary, Phone: 0207 432 1300).

Sponsors Widget

This will display the sponsors from the About Us section, either singly or in a vertical row.

The size of the sponsors' logos will depend on the width of the widget. Set the height of the widget to accommodate the number of logos to be displayed.

Here are the settings that have been used for a display shown on a following page:

The image shows a dialog box titled "Sponsors Widget Settings" with a close button in the top right corner. The dialog has two tabs: "General Widget Settings" (which is selected and highlighted with a blue border) and "Sponsors Widget Settings".

Under the "General Widget Settings" tab, the following options are visible:

- Width in columns: 1 2 3
- Position: Left Center Right
- Border: Yes
- Border colour: #cccccc (with a color swatch)
- Border style: Solid (with a dropdown arrow)

Below these is a section titled "Position and Dimension Settings:" with four input fields:

- X-Axis Position: 391
- Y-Axis Position: 921
- Width: 389
- Height: 579

At the bottom of the dialog, there are two buttons: a red "Delete Widget" button on the left and a green "Save Widget" button on the right. A mouse cursor is pointing at the "Save Widget" button.

This widget setting has five sponsors' logos to be shown vertically without any description:

Sponsors Widget Settings

General Widget Settings | **Sponsors Widget Settings**

You can either display a single sponsor logo or a row of logos vertically. If the single or vertical is selected, you also have the option to display the description next to the logo

Filter Settings:

Display Vertical ▾

Display Description No ▾
